Greater Philadelphia Student Film Festival 2009 Sponsorship Packages

New! Additional Sponsorship Opportunities

Panel sponsorship package (\$700)

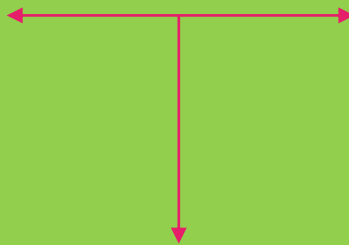

Sponsor one of GPSFF's pre-festival panels where industry professionals share their experiences and advice. These educational and networking opportunities strengthen Philadelphia's student film community. All panels are videotaped and available for viewing on our website.

Panels

- **Telling your story:** Editing, postproduction, distribution, and marketing for short films (with an emphasis on documentaries).
- **Films outside of Hollywood:** Citizen journalism, political activism, government, TV production, broadcast journalism, and advertising. What are other avenues for film?
- **Actors 101:** Choosing and directing actors. What is good acting? How do you find who you want? What do actors like?

How this benefits you:

- Panel's title sponsor
- Joint advertising rights with Diamond Sponsor
- Website signage (Your ad on the streaming video)
- Giveaways at the panel
- Ad on screen or in program during the awards ceremony
- Opportunity to help change the lives of our rising film makers

Category Sponsor: (\$900)

This is a new package where you will get the benefits of the Gold Package, and also become the title sponsor of a film category: comedy, animation, documentary, or comedy. This allows you the opportunity to display an ad during the show at the beginning of the category.
